Organizations Supporting New LAN Goals

Support of New LAN Goals

“Premier and our 4,000+ health system members and 175,000 other providers of care are proud to support the overarching goals of the LAN. For more than a decade, we’ve been ardent supporters of the movement toward value-based payment models as a core strategy for enhancing population health and bending the cost curve.”

AT WESTERN GOVERNORS UNIVERSITY

“The *Accountable Care Learning Collaborative* applauds the HCP-LAN’s unequivocal commitment to accelerate the transition to value. The ACLC will help enable this goal by convening the national community of risk-bearing providers to share solutions and broadly disseminate what it takes to succeed under APMs.”
