

2024 HCPLAN Summit Agenda

| Topics | Subtopics & Objectives |
|---|--|
| Registration & Pre-Event Networking | 8:00-9:00 AM ET |
| Opening Group Sessions | 9:00-10:30 AM ET Rooms 318-323 |
| Welcome & Opening Remarks | Provide an overview of the Summit's themes and goals and recap 2024 HCPLAN accomplishments |
| Transforming Health Care: A Fireside Chat with CMS and HCPLAN Leadership | Provide the vision for changing the health care system to one based on quality and value-based payment arrangements. Dive into major trends shaping value-based care, including workforce issues, specialty care, and VBC partnerships |
| CMS's Approach to Multi-Payer Engagement and Delivery System Reform | Highlight progress and insights from CMS actions to drive meaningful alignment across Medicare and Medicaid |
| Breakout Session Block 1 | 10:40-11:30 AM ET |
| Room 316: The Case for Quality Measures and Payment Reform | Provide multi-stakeholder perspective on where quality (measure) alignment is impactful and the incentives for change |
| Rooms 318-323: Challenging the Status Quo: Incentivizing Equitable Outcomes | Learn from programs that are "pushing the envelope" in promoting health equity across the contracting lifecycle |
| Room 317: Building the Data Sharing Ecosystem: Bulk FHIR and APIs | Learn what it takes to build the foundation and infrastructure for standardized data exchange and why it matters for payers, providers, people, and populations |
| Breakout Session Block 2 | 11:40 AM-12:30 PM ET |
| Rooms 318-323: Quality Beyond Measure(s): Care Delivery Alignment in Payment Reform | Discuss what it means to align care delivery and the role of aligned care delivery in the next generation of primary care |
| Room 316: Community Collaboration: The Key to Health Equity | Provide examples of health care organizations successfully engaging CBOs, HRSN providers, CHWs, and others to effectively improve access |
| Room 317: Catching FHIR: The Business Case for Data Sharing | Discuss early results and promising practices among organizations at the forefront of standardized data exchange |
| Group Session (following lunch break) | 1:40-2:25 PM ET Rooms 318-323 |
| Moonshots and Bellyflops | Discuss examples of big bets and occasional misses that drive innovation in VBC adoption and what was learned throughout the process |
| Breakout Session Block 3 | 2:35-3:25 PM ET |
| Room 316: Learning from Experience to Catalyze Continued Innovation | Hear how early adopters and controlled trial participants have leveraged efforts and investments to continue innovating on care delivery and payment models |
| Rooms 318-323: Rural Health and APMs: Reaching New Frontiers | Discuss challenges and creative solutions from providers, plans, and non-profits transforming care on the ground in rural communities |
| Room 317: Purchaser Uptake of Value-Based Care: Accelerating Growth | Hear from purchaser groups and employers leading the way in value-based arrangement adoption and negotiation and their strategies and successes |
| Measurement Panel & Closing Remarks | 3:35-4:30 PM ET Rooms 318-323 |
| HCPLAN Measurement Results | Share and discuss 2024 HCPLAN Measurement Effort results, including from health equity survey questions |
| The Road Ahead: Better Care Through Alignment | Discuss actions we must all take to achieve our collective goals as we close in on a decade of aligning HCPLAN stakeholders |
