

Accelerating to Value

LAN SUMMIT

Health Care Payment Learning & Action Network

**Accelerating Adoption and Use of APMs
through Nationwide Alignment**

OUR GOAL

Goals for U.S. Health Care

2016

30%

In 2016, at least 30% of U.S. health care payments are linked to quality and value through APMs.

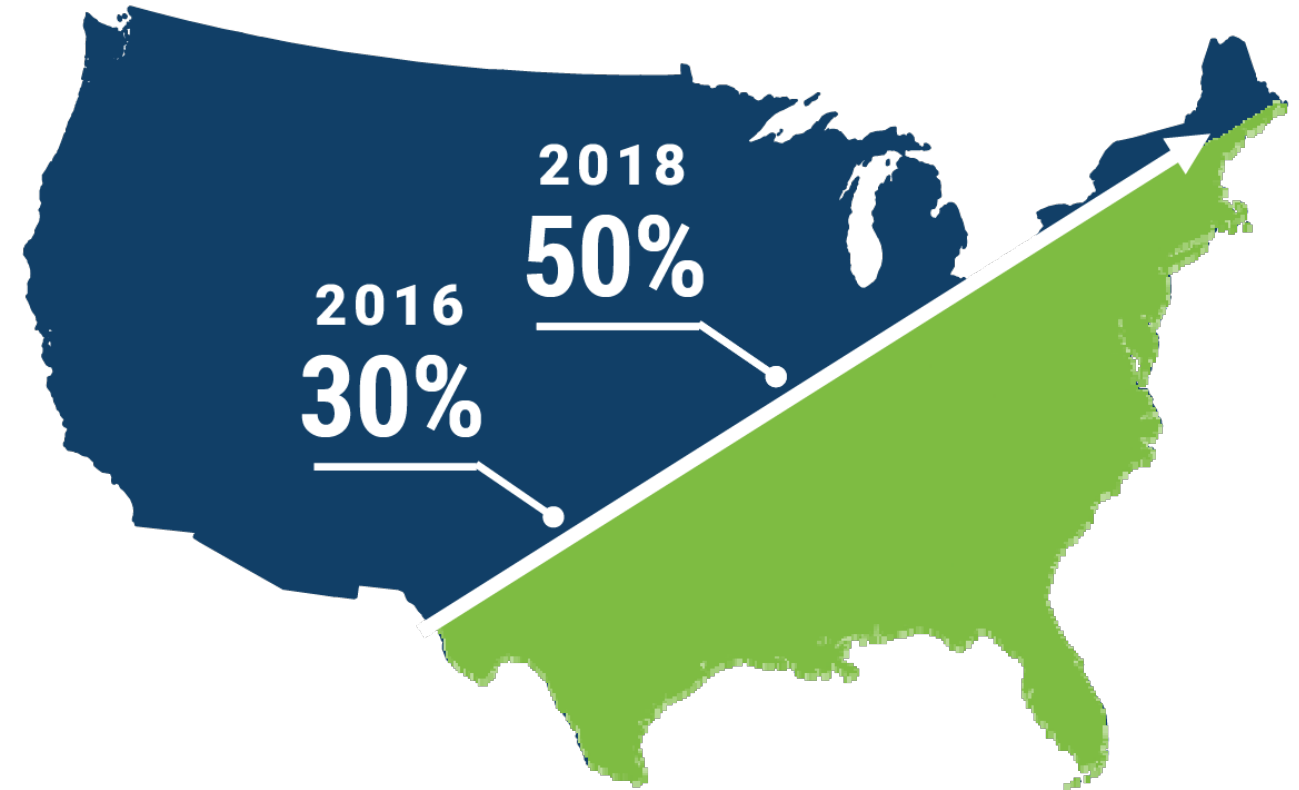

2018

50%

In 2018, at least 50% of U.S. health care payments are so linked.

These payment reforms are expected to demonstrate better outcomes and lower costs for patients.

Adoption of Alternative Payment Models (APMs)

Better Care, Smarter Spending, Healthier People

THE LAN STRATEGY

The Health Care Payment Learning & Action Network (LAN) will achieve its goals by convening the nation's leading public and private APM experts and experienced practitioners to:

Gather and Share
Innovations

- Share promising practices, early results and learning

Establish
Framework

- Define new APM categories as a basis for meaningful measurement

Develop
Recommendations

- Develop APM recommendations to drive alignment in the field

Catalyze Action

- Gain commitments
- Support testing and implementation of LAN recommendations
- Develop practical guidance

Demonstrate
Results

- Measure & track progress of APM adoption
- Harvest lessons from testing LAN recommendations
