Archway Health – Making Bundled Payment Simple

Mission
 to fix healthcare through payment reform

Focus
 To Partner with providers & payors to execute bundle payment programs

Built a comprehensive bundled payment platform including: Patient Tracking, Web-based Claims Data Analytics, Advisory Services, Preferred Provider Networks & Risk Sharing

Unique team of healthcare operators, data scientists, tech developers

We are a Convener in the CMS BPCI program & we support other BPCI Conveners

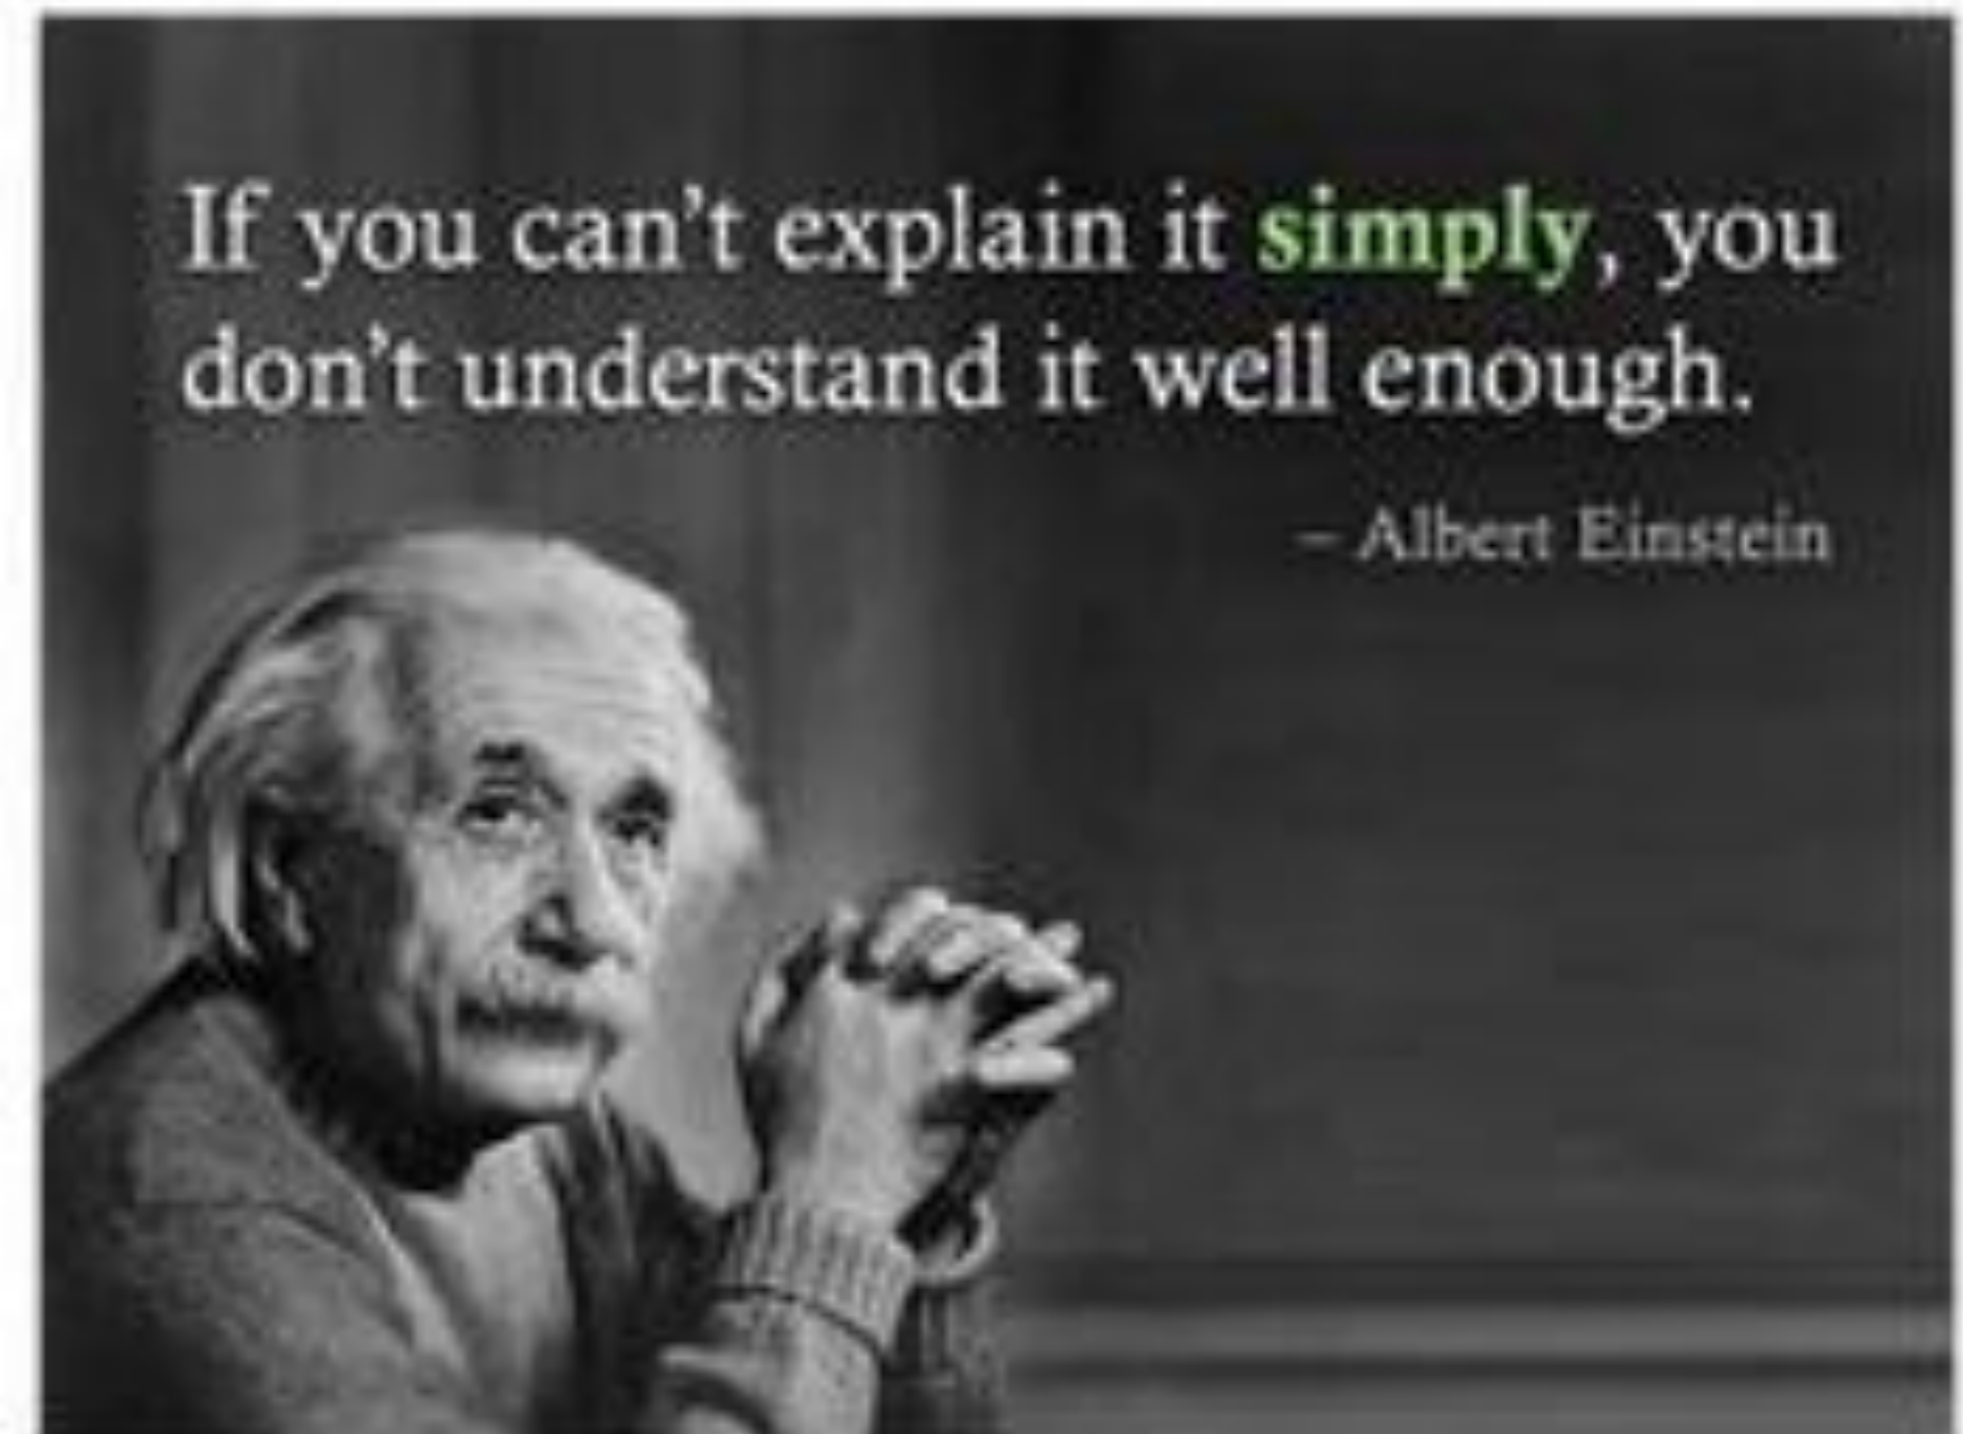

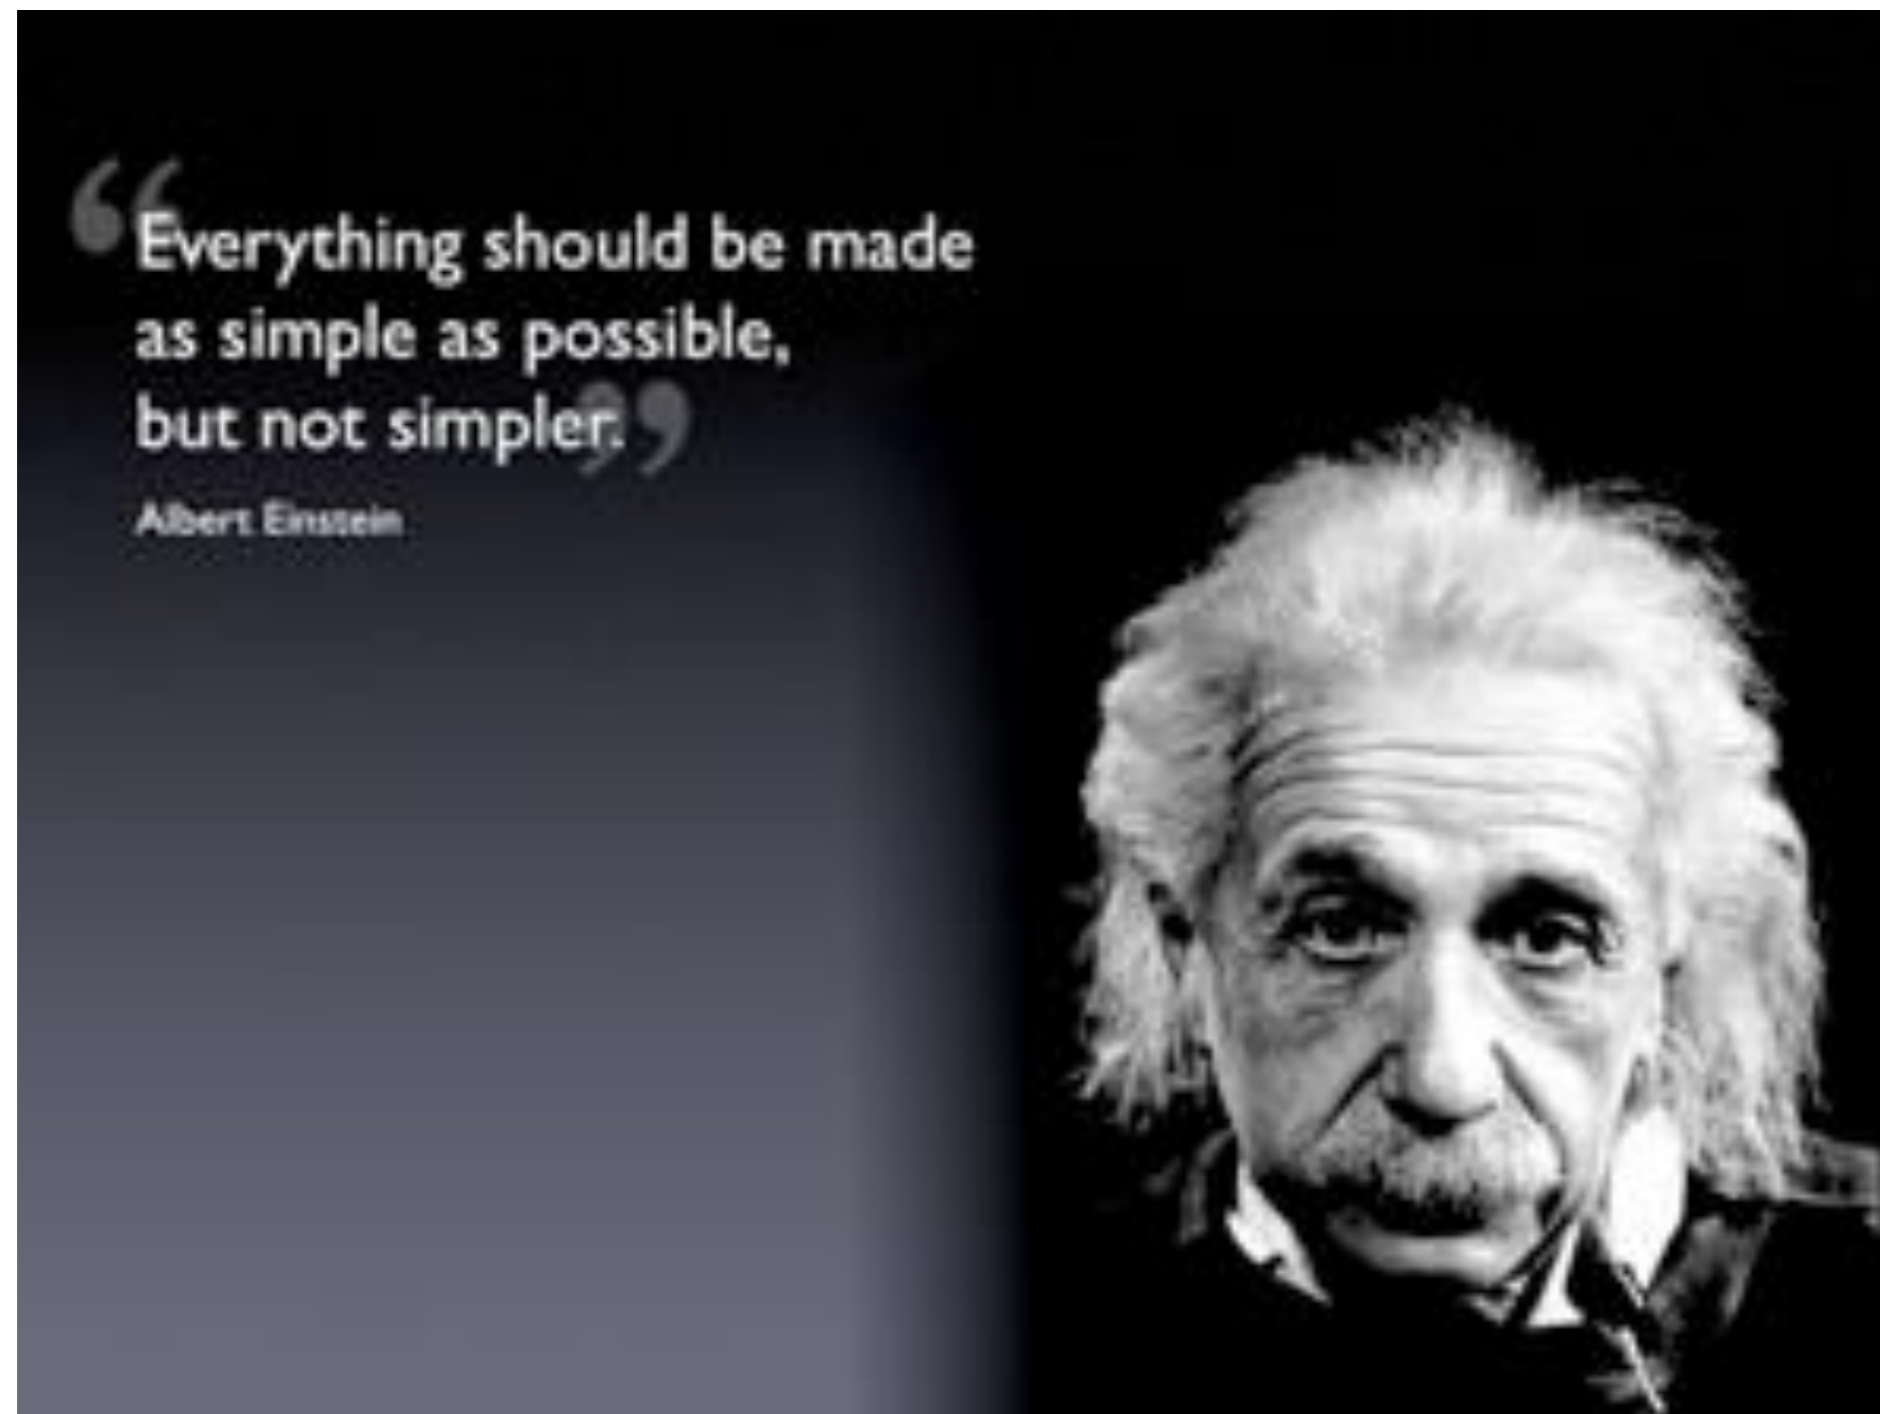

Currently working with over 50 providers of all types (Hospital, Physicians Groups, SNFs, HHAs) to manage their bundled payments programs.

“Success occurs in small steps along the way, and seldom in a straight path.”

An Authority on the KISS Principle

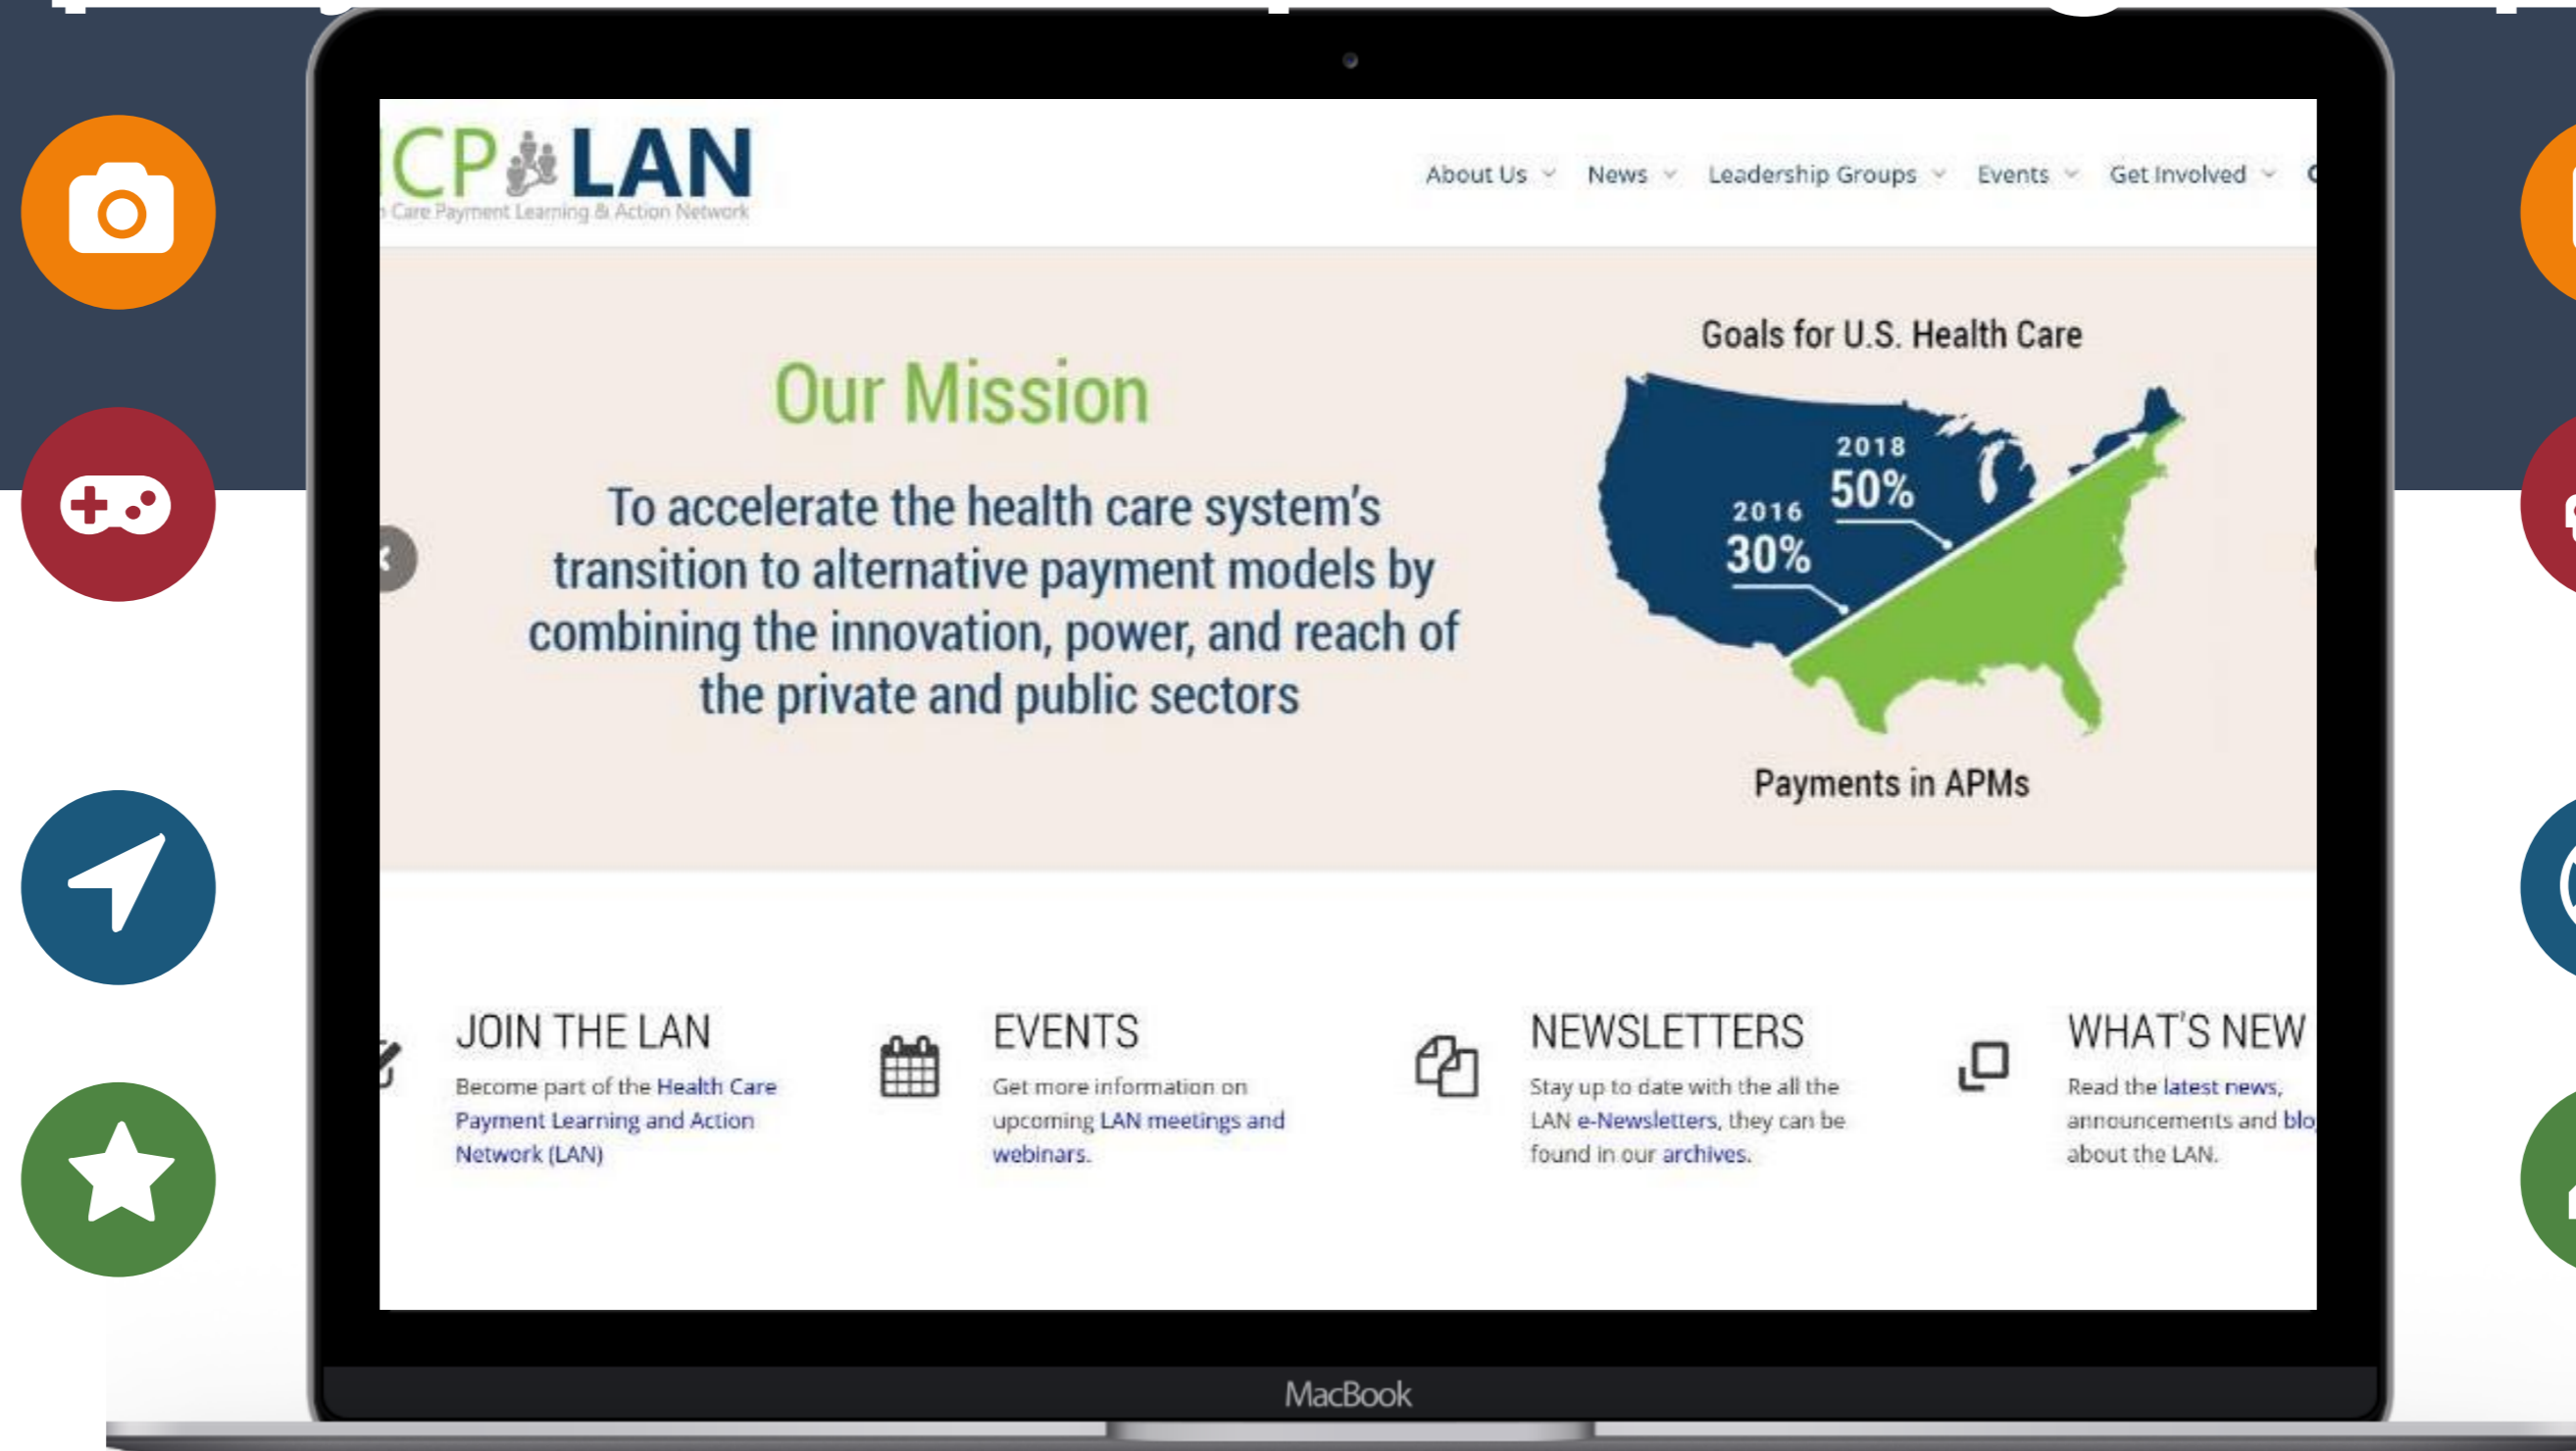

CHANGE TAKES TIME

Economic rationality does not happen instantly
